

## QLASSIC AWARENESS COURSE WITH HANDS-ON WORKSHOP (In-house Training)

### INTRODUCTION

The QLASSIC awareness course provides an understanding and application of QLASSIC quality standard for building projects. The course is part of QLASSIC Assessor Accreditation Scheme.

The training includes illustrations, examples and sharing of best practices in construction to enhance understanding and application of QLASSIC on building projects. On Day 2 of training, participants will have hands-on experience using the tools and apply QLASSIC quality standards during the practical training.

### OBJECTIVES

- Learn how implement QLASSIC quality standards on my project
- Learn how to achieve high QLASSIC score for my project
- Learn how to conduct internal QLASSIC assessment
- Learn how to calculate QLASSIC score

### CONTENTS

- ✓ Introduction to QLASSIC
- ✓ QLASSIC assessment scope, methods and tools
